RADIO SPECIAL

A two hour radio special to support the release of Eric Clapton's official autobiography "Clapton" and the first ever career retrospective CD from Reprise/Warner Bros., Clapton Complete.

Recognized as the most accomplished and influential guitarist in the history of rock, Eric Clapton is a sixteen-time Grammy Award winner and the only triple inductee into the Rock & Roll Hall of Fame (as a member of both The Yardbirds and Cream, and as a solo artist). This special spans the entire career of Eric Clapton's music, as well as his personal life. This two hour retrospective is the only official radio program produced with the cooperation of Broadway Books (a Division of Random House).

This program features in depth interviews, rare recordings and music spanning Eric's entire career; from the Yardbirds, John Mayall and the Bluesbreakers, Cream, Blind Faith, Delaney & Bonnie and Friends, Derek & the Dominos, as well as his storied solo career, to the historic Cream reunion shows to the monumental Crossroads Guitar Festivals. This incredible radio retrospective will be unique, intimate and the first and only personal, reflective look at this living rock legend.
